Stud terms: LFG – Live Foal Guarantee. After the stud fee is paid we are committed to supplying you semen (the breeder is responsible for transport/collection costs) until your mare is in foal. Once the foal is born and 48 hours old and alive, the contract is complete. If your mare loses the pregnancy or the foal is born dead or dies within the first 48 hours for any reason, we continue to send you semen to get your mare in foal again. If your mare dies in foal you may swap to another mare. In all of these cases a signed veterinary declaration is needed to obtain more semen. Once the first semen shipment has been sent, we do not refund the breeding fee under any circumstances.
